

NEWSLETTER 2 – UNIKEY

July 2013

Dear Alumni and Friends,

This is the second newsletter from UNI-KEY, the new way to be connected and updated about activities and potential future business. If you like, share your experiences and help other members to find the right answers to their questions.

Have you spent your semester abroad?
Are you spending it now? How was the first day? And the last one?
Are you looking (or waiting) for your internship?

Let us know your experience (reply to this email) and how UNI-KEY course can help other students in your situation. Send us your advice about how to “unleash the entrepreneurial mindset” among mobile students.

And now here are some facts and offers:

1. PILOT RUN 2 and the Uni-Key Xchallenge have been completed!

The winners of the Xchallenges of pilot 1 and 2 will accompany the project team to Brussels in October 2013.

2. TRIVIA HEROES!

3. Europe Mobility Video Contest
